Gentlemen:

In response to the requirement for corrected drawings identified in the Notice of Allowability mailed August 22, 2008, Applicant submitted replacement drawings on October 9, 2008 in a RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS. The formal drawings submitted in that response contained some inconsistencies with respect to some aspects of the original drawings. Please substitute replacement drawing sheet 3 filed on October 9, 2008 with the attached replacement drawing sheet 3.

Applicant respectfully submits replacement sheet 3, which contains FIGs. 3A-3C. The corrections apply to FIG. 3A and FIG. 3C. An annotated replacement sheet 3 is also submitted to highlight the corrections. In FIG. 3A, features of the four engagement surfaces 50 have been corrected to be drawn with solid lines in the manner shown in the original figures instead of dashed lines. In FIG. 3C, a hidden line feature has been corrected to be drawn with a dashed line instead of a solid line. It is

important to note that these **corrections are being presented to bring these aspects of Figs. 3A and 3C into conformity with the original drawings.** No new matter was added.

Please charge the Deposit Account No. 03-0172 for any fees related to the acceptance of the attached Replacement Drawing Sheet.

Respectfully submitted,

Date: 10/28/2008
